Reservists information packet

Massachusetts House Minority Leader Bradley H. Jones Jr. has announced the availability of an information packet developed by the commonwealth's Department of Veterans Services that details the rights and benefits of reservist members and their families.

Copies of the packet, which also details federal and state laws regarding National Guard members called to active duty, may be obtained by calling the office of Rep. Jones at 617-722-2100. The materials can be sent to anyone upon request.
